**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF MASSACHUSETTS**

CLEAN WATER ACTION,

Plaintiff,

v.

CHEMIPLASTICA, INC.,

Defendant.

Case No. 16-cv-11764(RWZ)

**[PROPOSED] CONSENT DECREE**

WHEREAS, plaintiff Clean Water Action (“Clean Water Action”) is a nationwide non-profit organization working for prevention of pollution in the nation’s waters;

WHEREAS, defendant CHEMIPLASTICA, INC. (“Chemiplastica”) operates a chemical and associated products manufacturing facility at 238 Nonotuck Street, Florence, Massachusetts that is the subject of this lawsuit (the “Facility”);

WHEREAS, Clean Water Action alleges that stormwater from the Facility discharges to the Mill River and into the municipal storm drain system that drains to the Mill River and that these stormwater discharges are regulated pursuant to the federal Clean Water Act (the “Act”) and covered by the Final National Pollutant Discharge Elimination System (“NPDES”) Multi-Sector General Permit issued by the United States Environmental Protection Agency (the “Storm Water Permit”). *See* 33 U.S.C. §§ 1311(a), 1342(a), 1342(p); 65 Fed. Reg. 64746 (Oct. 30, 2000); 73 Fed. Reg. 56572 (Sept. 29, 2008); 80 Fed. Reg. 34403 (June 4, 2015);

WHEREAS, on April 25, 2016, Clean Water Action provided notice of alleged violations of the Act, and of Clean Water Action’s intention to file suit against Chemiplastica to the Administrator of the United States Environmental Protection Agency (“EPA”); the Administrator

of EPA Region I; the Massachusetts Department of Environmental Protection; and to Chemiplastica, pursuant to Section 505 of the Act, 33 U.S.C. § 1365;

WHEREAS, following receipt of the April 25, 2016 Notice, Chemiplastica has hired two additional consultants to assist it with Clean Water Act compliance, updated its Stormwater Pollution Prevention Plan, made improvements to its stormwater control structures, and improved its monitoring protocols and maintenance procedures;

WHEREAS, Chemiplastica anticipates that these steps, together with implementation of the Best Management Practices (“BMPs”) and other measures set forth herein, will enable it to comply with applicable state water quality standards, benchmark limits, and any applicable effluent standards set forth in the Storm Water Permit;

WHEREAS, Chemiplastica denies the allegations of Clean Water Action that Chemiplastica has violated the Storm Water Permit or the Act;

WHEREAS, the parties have decided that it is in the best interests of all parties to resolve the litigation by agreement without adjudication of any fact, allegation, or law set forth above; and

WHEREAS, this Consent Decree (“Consent Decree”) shall be submitted to the United States Department of Justice for the forty-five (45) day statutory review period pursuant to 33 U.S.C. § 1365(c).

NOW THEREFORE IT IS HEREBY STIPULATED BETWEEN THE SETTLING PARTIES, AND ORDERED AND DECREED BY THE COURT, AS FOLLOWS:

## **INJUNCTIVE RELIEF**

1. Chemiplastica agrees to operate the Facility in compliance with the applicable requirements of the Clean Water Act and the Storm Water Permit, including any amendments to the Storm Water Permit that may be made during the term of this Consent Decree.

2. **Involvement by Clean Water Action.**

a. Chemiplastica shall permit representatives of Clean Water Action to perform up to two site visits to the Facility's exterior and grounds during normal daylight business hours during each year for the two years following the Effective Date of this Consent Decree, provided that Clean Water Action notifies Chemiplastica in writing at least 48 hours in advance of any such site visit. During such site visit, Clean Water Action shall have access to and permission to copy Chemiplastica's current SWPPP and any and all documentation required to be kept on site by the Storm Water Permit.

b. During the term of this Decree, Chemiplastica shall provide Clean Water Action with the following documents, by emailing them to [compliance@cleanwater.org](mailto:compliance@cleanwater.org) and [nchorover@choroverlaw.com](mailto:nchorover@choroverlaw.com):

- 1) Copies of all documents Chemiplastica submits to EPA, the Commonwealth of Massachusetts and/or the City of Northampton concerning the Facility's storm water discharges, including but not limited to all documents and reports submitted as required by the Storm Water Permit. Such documents and reports shall be submitted contemporaneously with their submission to the governmental entity.
- 2) Copies of all laboratory reports of stormwater discharge samples taken during the term of this Consent Decree.

- 3) Copies of any revisions to Chemiplastica's SWPPP within 48 hours of a request by Clean Water Action.
- 4) All Quarterly Visual Inspection Forms and Routine Facility Inspection Forms, including laboratory results for the samples, shall be submitted to Clean Water Action with the Annual Report.

c. To expedite its compliance monitoring activities as provided by this Consent Decree, Clean Water Action has provided a compliance questionnaire to Chemiplastica in the form attached hereto as Exhibit A. Chemiplastica shall complete the questionnaire to the best of its knowledge and provide the completed questionnaire to Clean Water Action at the same time that it provides copies of its quarterly monitoring reports.

#### PAYMENT, FEES AND COSTS

Evidence of payment of each installment shall be provided to Clean Water Action.

4. Within 15 days after the Effective Date, Chemiplastica shall reimburse Clean Water Action in the amount of \$22,000 to defray Clean Water Action's investigation fees and costs, consultant fees and costs, and attorney fees incurred up to the date of entry of this Consent Decree. Chorover, Client Trust Account, and be delivered by certified mail, return receipt requested, or by nationally recognized overnight delivery company, to Law Office of Nora J. Chorover, 11 Green Street, Boston, MA 02130. Nothing in this paragraph or in this Consent Decree shall restrict Clean Water Action's right to seek additional compensation for fees or costs that it incurs to enforce Chemiplastica's compliance with the terms of this Consent Decree, and nothing herein shall be construed as a waiver of Chemiplastica's right to contest any such action. Any portion of the Monitoring Payment that remains in the account at the expiration of the two year term of this Consent Decree shall be returned to Chemiplastica within 30 days of a request made by Chemiplastica, provided that such request is made within 30 days of the expiration of the Consent Decree.
